Exchequer - We have money and they are looking for a deputy

Heavy Marshal - Looked at a new sight with Sir Elias- It looks like a good sight where we can do a Full Contact Social

and Fight Practice at the same spot. It is less than what we were paying at the church.

if we do an extended lease with them, we may get an even more discount.

The sight would be good for smaller events like LD - we would have to be wise with the space

is it public transit accessible - it is not, it is about a half a mile from the main road.

If you need loaner armor, the marshal needs to know by Sunday

Rapier Marshal - Looking for replacement- good attendance in fight practice - Local Fima group coming to join us

Archery Report - Practice has happened, they also have been doing this for a while

Chronicler - Will be sending out an email asking for a article there will be queue questions - officers and peers

Webs- social media - She has been backing up social media - please send stuff to her about events and stuff that needs to go on both web and social
better if they post

A&S - Culinary and Sewing Happening - and she has a deputy -

Next Culinary Night will be 2nd Wed and will have summer lunch theme, noodles, Bento boxes, and Hand Pies at Don Sebastians

Chatelaine - Social was moved to the first Tuesday, new location was nice and she is for holding full contact social - it is good for community building

Wizard Fall Demo is the same weekend as AW but if anyone wants to participate let her know.

LD will be in a week and half - bring stuff to show

Scribe - Last Report as Officer - Sibilia taking over - 4 people at the Scribal Day

Made Seals and getting ready for the next 2 events, 2nd Saturday of August is the next Scribal

Chamberlain - Needs a deputy but will extend for 6 months' time is up in November

YaC - Report in writing

Embers - Still need #'s , we have sight confirmed for next year with the same rates

LD - First Rule - Permitted Event - No Stakes, not even the little itty bitty tent stakes

3 official Pop Ups as part of the demonstration - so that we are under 400 square feet.

However, if we have people who are attending and decide to bring their own personal shade, we cannot stop that. they just can't be next to the official demonstration

area. We have it from 8:30am to 7:30pm

No Money collected onsite - donations can go from the website.

Tournament is going to be whatever you bring; it will either be double elim or round robin depending on how many sign up.

there will be a quick fun fight before we start - a teams fight, which will be the price of admission for the main tournament

Autumn War - Planning is going, sign ups are happening

Sight Walk through this Sunday

Gate Class 4pm July 27th Pre Reg and Gate Class

Pre Reg will open first week of August

A&S

A&S:

Culinary Night was the 9th, hosted by Don Sebastien, with seven folks enjoying foods from the historical manuscript "The Anonymous Venetian."

Sewing nights are hosted by Meistres Angharat at her home on Mondays unless otherwise noted by her.

I have a volunteer for a deputy, Merlin Le Roux. I haven't finished my quarterly report yet and actually want to do it with them this week so they start getting familiar with the process, it will be done before end of Sunday. If everything goes well and Merlin is up for it, I would like to turn the office over to them at Harvest Feast, with me being a deputy until Candlemas to make sure they are all set. We will get together and go over the submission process and the baronial email stuff before any talk of full changeover happens. If Merlin isn't up for that at this time, I will be extending my warrant a year and will continue to look for a replacement.

Sergeantry:

So, Surprise, I'm a Laurel! Obviously, YAY, because I've been working very hard towards that goal, but now that my time has come to be a courtier emeritus, I will be turning over the Sergeant Major regalia to the B&B's at Lord Defender. I would like to do that in court. I worked on the Baronial webpage with Lissa a bit, we need to update the armorial PDF quite a bit so we removed it temporarily, and I will be working with the coronets and the other Emeritus members to finish updating the written tests and such, as we do have one letter of intent for a candidate for Harvest Feast.

I look forward to serving the Barony in a larger capacity as a Peer, and look forward to sitting down with any of our artisans that want to show me what they are working on!

Not much to report with web aside from calendar and event updates. I've been helping social media a bit lately while she's been having some health issues. A reminder to the populace, especially event stewards, that anything that needs to go onto the website needs to be emailed to blathaanoir.webminister@antir.org - I do not use Facebook on a computer, so email is the best way to get that information to me. You are welcome to drop me a line on Messenger to let me know you've sent an email, if you wish.

July was a fairly mellow month. Due to a conflict with An Tir West War the First Thursday social was moved to the following Tuesday. We held it during fight practice. It was a chill time to chat in the park and was well attended.

Yesterday Sir Elias, Sir Agmundr, Ellisif and her husband checked out a possible new location that can host both the social and fight practice at the same time. It looks promising and I do feel that there will be more community building if they can be held jointly.

Today I received an email about the non-JK Rowling affiliated Wizards fall demo. It is the same Saturday as Autumn War/Emprise. I've already notified them of the conflict but did

say I would see if there is any interest from folks who will not be attending Autumn War/Emprise.

Next weekend is Lord Defender. It is also a demo so I hope folks come to talk about their SCA passions.

In Service to the Dream,

Our fb presence is growing! We have more engagement and more events in progress of being posted as well as shared.

Please keep sharing information. Please share or send info for me to share from kingdom and known world news. I would like to have it on the baronial page if it is important.

Important things to note:

Rapier tips are being broken in normal engagement. They are marked on the end of the tip with an "M" or "W" kingdom official rapier marshall has been trying to get word around about it. If you use tips on your weapon please check it to see if it is the type being discussed.

We are still working on getting SMO an email with the @antir ending. When we do get the email i will be working on discord getting set up as well as recovery of the baronial youtube.

At this time i do not have a time line as to when discord will be set up or youtube recovered. I appreciate each of you for helping to contribute to the fb page. Facebook is a great source but not the only source, please remember to direct to the website.

Yours in Service,

Bella de Beauregard

Good day, Good Gentle!

This will be my last quarterly report as Blatha an Oir's Scribal Officer. It has been a pleasure serving my Barony and the Kingdom. I will be continuing on as deputy for my successor, Sibilia dell'Acqua, after changeover at Lord Defender's on July 26, 2025.

Our scriptorium has been busy for the last few months. We had many awards to prepare for Embers and Ambrosia at the end of May, including multiple one-of-a-kind scrolls created by myself, Sibilia, 'Tasia Darnell, Eibhlin ingean Fhionghuinne, Merlin Roux, and Marjorie Roux. Now we are preparing for our main Champion event, Lord Defender's, and beyond that to Autumn War.

Sibillia has also been painting for Kingdom, creating a Knight's elevation scroll for June Faire and a Main de St. Nicolas for July Coronation.

We have been holding scribal gatherings once every month, with our most recent on July 12th for those who did not travel to Coronation. We routinely have 3-4 scribes in attendance, and much merriment is had by all.

Once again, it has been my pleasure to serve my Barony and my Kingdom.

Thomasina Fairamay
